ALL HAVE SINNED
“For all have sinned and come short of the glory of God.” Romans 3:23

The Penalty of Sin is Death
“For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.” Romans 6:23

Jesus Christ Died for our Sin
“But God commendeth His love toward us, in that while we were yet sinners, Christ died for us.” Romans 5:8

To Be Forgiven for our Sin, we must Believe and Confess that Jesus is Lord.
Salvation comes through Jesus Christ
“That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness: and with the mouth confession is made unto salvation.” Romans 10:9-10

Prayer for Salvation
Dear Lord Jesus,
I believe You are the Son of God and died to forgive me of my sins. I know I have sinned. I ask You to forgive me. I turn from my sins and I receive You as my Lord and Savior. Thank You for saving me.

Amen

Is there hope for America?
Will we become the great nation that we are capable of becoming?
Or will we slip deeper and deeper into moral and spiritual decline?
The good news is that there is hope for America! But only if we humbly bow before GOD in prayer and confession -
As Pastor Joe Wright did before the State House in Topeka, Kansas.
Will you join in this profound prayer?
Heavenly Father, we come before you today to ask Your forgiveness and seek Your direction and guidance.
We know Your Word says “Woe to those who call Evil good,” but that’s exactly what we have done.
We have lost our spiritual equilibrium and inverted our values.

We confess that:
We have ridiculed the absolute truth of Your Word and called it moral pluralism:
We have worshiped other gods and called it multiculturalism;
We have endorsed perversion and called it alternative lifestyle;
We have exploited the poor and called it lottery;
We have neglected the needy and called it self-preservation;
We have rewarded laziness and called it welfare;
We have killed our unborn and called it choice;
We have shot abortionist and called it justifiable;
We have neglected to discipline our children and called it building esteem;
We have abused power and called it political savvy;
We have coveted our neighbors possessions and called it ambition;
We have polluted the air with profanity and pornography and called it freedom of expression;
We have ridiculed the time-honored values of our forefathers and called it enlightenment.
Search us, O God, and know our hearts today; try us and see if there be some wicked way in us to cleanse us from every sin and set us free. I ask it in the name of your Son, the Living Savior, Jesus Christ,

Amen.

Wireless Camera Adaptor Kit
ORDER # VWW24 $219.00

Make any of our cameras WIRELESS. This kit transmits the video signal up to 300 ft. with a good line of sight.
With uncompromising attention to detail and unwavering devotion to quality production standards, Helton has developed the strongest, most durable tractor top on the market. We’re so certain of the superior quality of our tops that each one is backed by a lifetime warranty against color fading from the Manufacturer.

**FEATURES**

**STRENGTH:** 12-gauge, full structure, tubular steel frame topped by heavy-duty, high impact hard top. No other top on the market compares!

*CAUTION:* The Helton top does not protect the operator in the event of a rollover.

**DURABILITY:** Made from UV resistant plastic with high impact resistance. Rust and UV resistant.

**EASE:** Canopy removal is not required when transporting vehicles. Helton tractor tops are designed to handle highway speeds of 55 m.p.h. while transporting.

---

*Success Is*

Getting up just one more time when you fall

*Insanity Is*

Continuing to do the same things Yet expecting different results

Our annual church meeting was rather like heaven. Many we expected to see were absent

---

Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the LORD, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither—whatever they do prospers.

— Psalm 1:1-3

MANURE SPREADER

28 Cu. Ft. | Weight 455 lb
ORDER # M-MX25 ................................................. $2399.00

FEATURES:
Ground-driven (no-PTO) - Pulls with lawn tractor, atv or small tractor. No belts to slip - apron chain is ratchet-driven by one wheel ... beater is chain-driven by opposite wheel. 'Bear-claw' beaters quickly shred and spread all types of manure (including that mixed with straw or hay), plus shavings, grass clippings and compost. Simple to operate - up front controls for apron-chain and beater. Fully assembled - ready to go. Well balanced... for moving by hand ruggedly constructed. Performs just like the big expensive spreaders.
FEATURES:

LIFETIME WARRANTY: On Electric Motor - 12 Volt High Torque

SPINNER PLATES: Comes with 2. Allows Variable Spreading Distance

HOPPER: Heavy tapered polyethylene resist rust & corrosion. 60 pound hopper.

QUICK RELEASE LOCKING LID: No danger of lid coming off during transport or spreading.

MOUNTING: See Mounting Styles Below

SPECS: Weight 32 Lbs - Diameter 18” - Height 31”

HARNESS: Included - 9Ft.

TO ORDER THE BRACKET ONLY, JUST PUT THE LETTER B AT THE END OF THE SPREADER PART NUMBER.

Replacement Parts Are Available

Priefert’s ArenaMaster™ eliminates expensive hydraulics and allows operators to break packed ground, pulverize clumps of dirt, and leave consistent footing; often in a single pass. Offset rows of S-tines provide multiple points for ground breaking efficiency and to minimize large clods. Penetration depth can be regulated by changing the tractor’s top link, lift control height, and/or the ArenaMaster’s™ leveling bar adjustment. The leveling bar also aids in the breaking clods, leveling high spots, and filling in holes. The trailing “Clump Buster” further pulverizes dirt clods and packs the sub-surface for consistent footing; it also fluffs the top layer of dirt to ensure a smooth surface, suitable for any practice or competitive arena.

CALL TOLL FREE 1-800-333-9143 OR WWW.STEVENSTRACTOR.COM
Round Pens will fit the needs of most any horse owner looking for a safe environment for working horses.

Whether you are starting a young colt or working with a seasoned horse, there are few training tools for all disciplines that can pay off like a Priefert Round Pen.

Chain connectors make these pens quick and easy to set up, while the lightweight panels allow this round pen to be portable. The 64” tall panels are tall enough to discourage horses from jumping on or over them.

The Architectural Grade Powder Coat Finish helps the product to resist rust, scratches, and fading to add years of life to your investment.

I have been crucified with Christ; it is no longer I who live, but Christ Lives in me.  
— Galatians 2:20a

### SWEEP SYSTEMS

This rugged, completely reversible 180 Degree crowding system can be used as part of a permanent or portable working corral. It provides a durable and affordable crowding system that helps reduce the labor needed for working cattle.

### ALLEY STOP

Priefert’s Universal Alley Stop is the perfect solution to help prevent cattle from backing out of an alley. With no tools required, the effective height of the “no-back” Alley Stop can be quickly set to prevent the backing of bulls, cows, and calves. Designed for use with any Priefert Sweep System. Two chain connectors on the frame secure the ALLEY STOP to the alley panels.

AQUA PRO AIR-DRIVE DIRECTIONAL FISH FEEDER

The Aqua Pro Fish Feeders are the most popular fish feeder in the industry today. Constructed of heavy gauge galvanized steel, making it the sturdiest unit available anywhere. All internal seams are double sealed with silicone and industrial rubberized coating to help prevent moisture from affecting your valuable feed. Wiring is protected by 1/2” steel flex tube conduit to insure proper connection and years of trouble free service. Made in the USA.

GENERAL FEATURES:

Power Supply: 12 Volt Heavy Duty Re-Chargeable Gel Cell Battery with Solar Panel

Timer: Digital - Large, easy to read liquid crystal display. Simple - Easy Programming. 100% Solid State Electronics.

Feed Times: Feed up to 8 Times Daily

Run Time: Adjustable 1-90 Seconds per Feed Time

Warranty: Two Years

Assembly: Minor Assembly Required. No Special Tools needed.

ORDER # ADF-75D $ 499.95
**Additional Shipping Charges Apply.
Delivery Weight 70 Lb.

Complete With

— Solar Panel
— 12 Volt Gel Cell Battery
— Digital Timer
— 110 Wall Charger

Approximate Spreading Pattern

Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against the principalities, against powers, against the rulers of the darkness of this age, against spiritual host of wickedness in heavenly places.

— Ephesians 6:9

**COMPLETE TAILWHEEL ASSY - HEAVY DUTY**

$169.95

Fork Shaft Size —
• 1-1/2” Diameter.
• Overall Length 8

Complete Assembly
Consists of Heavy Duty Tail Wheel Hub with Bearings, Tail Wheel Fork, Axle Bolt and Tail Wheel
For 1” Axle
** ORDER # TWFA100 ................. $169.95
** ORDER # TWFA ................. $169.95

** Assembly Required**
Parts Broke Down For Shipping Purposes.

**HEAVY DUTY TAIL WHEEL HUB WITH BEARINGS**

Fits: 4 X 8 Tailwheels
Four Bolt Pattern.
The HUB Comes Complete With Races and Bearings, Seals.

1” Axle
ORDER # TWHWB100 ................. $ 39.95
3/4” Axle
ORDER # TWHWB750 ................. $ 44.95

**BEARING KIT**

Fits: Heavy Duty Tail Wheel Hub. Consists of Bearings, Seals, Cups and Spacers

**COMPLETE TAILWHEEL ASSY - ECONOMY**

$ 99.95

Fork Shaft Size —
• 1-1/4” Shaft diameter
• 5-1/2” between forks
• 1” Bolt hole diameter
• 4-3/4” approximate length of shaft (for sliding up into housing on a bush hog)

Complete Assembly
Consists of Economy Tail Wheel Hub, Tail Wheel Fork, Axle Bolt and Tail Wheel
For 1” Axle
** ORDER # ......................... $ 99.95**

** Assembly Required**
Parts Broke Down For Shipping Purposes.

**ECONOMY HUBS**

Fits: Industry Standard Tail Wheel # TWS00.
Fabricated steel hub with sintered bushings.
Four Bolt Pattern
Used On Lightweight Cutters.

1” ORDER # 49324 .................. $ 17.95
3/4” ORDER # 49642 ................ $ 17.95

**ECONOMY HUB AXLE BUSHINGS**

Fits: Above Hub Only Priced Each

5/8” ORDER # 3252621 ............... $ 3.50

### CONTINENTAL BELTON

The Replacement Belts we carry are the Kevlar Blue V-Belts. They are an extra heavy duty belt constructed of organic polyamide fibers. The Kevlar belts have a high resistance to repeated reverse flexing, oil, heat and cracking. Kevlar belts also offer high tensile strength, non-extensibility, and high resistance to shock loads.

 capitalists. With the rise of industrial capitalism, large corporations began to dominate the world economy. The increased concentration of wealth and power in the hands of a few corporations led to the consolidation of economic power and the formation of monopolies. At the same time, the growth of international trade and finance facilitated the movement of capital across borders and the spread of the capitalist system. The emergence of modern states, particularly in Europe, played a key role in the expansion of capitalism by providing political stability and legal frameworks that facilitated economic activity. The invention of new technologies, such as steam power and the internal combustion engine, revolutionized production and transportation, further accelerating the growth of the capitalist economy. These technological changes enabled the growth of mass production and the increased efficiency of industrial processes, leading to a significant increase in the output of goods and services. The growth of the capitalist system also sparked social and cultural changes, with the rise of an urban middle class and the emergence of new consumer goods and leisure activities. The expansion of capitalism was not without its challenges, as it led to inequalities and exploitation. Nevertheless, the capitalist system continued to expand and evolve, adapting to new technologies and social changes throughout the 19th and 20th centuries. The growth of capitalism was also accompanied by significant changes in the political landscape, with the rise of nationalism and the development of nation-states. The expansion of capitalism led to the spread of liberal economic ideologies, which advocates the free market and individual freedom, and the growth of international institutions, such as the United Nations, which aimed to promote economic cooperation and international law. The growth of capitalism was also accompanied by significant changes in the social and cultural landscape, with the rise of consumer culture and the growth of new forms of leisure and entertainment. The expansion of capitalism was not without its challenges, as it led to inequalities and exploitation. Nevertheless, the capitalist system continued to expand and evolve, adapting to new technologies and social changes throughout the 19th and 20th centuries. The growth of capitalism was also accompanied by significant changes in the political landscape, with the rise of nationalism and the development of nation-states. TILLAGE

COLE - POWELL 11 and 12MX PLANTER PARTS
& MULTI-FLEX (HeHai) PLANTER PARTS

Accurately place 34 to 650 pounds of fertilizer per acre.

Simultaneously plant and place fertilizer.

Adjust fertilizer rate with a wing nut.

Change steel plates by removing wing nut.

Set seed depth with handle.

Dirt scrape keeps press wheel free from clods.

Spring-loaded seed opener for positive depth control.

Split-rim concave cast iron press wheel firms seedbed, but leaves loose zone directly over seeds.

IF YOU ARE WILLING AND OBEDIENT, YOU SHALL EAT THE GOOD OF THE LAND.
— ISAIAH 1:19

Policies & Procedures From Stevens Tractor Co, LLC

PAYMENT

Credit Cards: We honor Visa, Master Card, Discover, American Express and Farm Plan. Please have your card present when placing your order. We will ask for Card Code Verification.

Checks: You may send Check or Money Order, However please call for current prices before mailing your payment. Any order received that has a balance due will NOT be shipped until paid in full. Please do NOT send cash or stamps.

Returned Checks: Any personal check presented before us that is returned for (NSF) Non-Sufficient Funds, there will be a Returned Check Charge. If proper payment to Stevens Tractor has not been made within 14 days of the NSF check, then legal action will be pursued.

NO UPS C O D: NO COD Orders. You may mail a check or money order in advance. We also accept all major credit cards.

SHIPPING

Federal Express (FEDX) will be used as the Common Carrier in most instances. Items exceeding size and weight limitations of FedX will be shipped freight collect by commercial truck line. UPS 2nd Day Air is Available. Call for 2nd Day Air rates. We also offer Smart Post via the US Postal Service for packages weighing up to 3lbs.

We NO Longer Use a Shipping Chart. Please CALL 1-800-333-9143 for actual shipping charges. Any item of excessive size and weight will have additional shipping charges, such as fenders, mufflers, bumpers, fuel tanks, radiator shells. Not all items are marked in the catalog stating the additional shipping charges. ALL ITEMS UNABLE TO BE BOXED WILL HAVE AN ADDITIONAL $12.00 CHARGE ADDED IN THE SHIPPING. FedX and UPS delivers to physical addresses ONLY. Please! No Post Office Boxes.

DAMAGE Claims: All claims of damage or shortage must be made within 7 days of receipt. Please keep the merchandise in the original carton for the carrier to inspect. NO claims of damage or shortages accepted after 20 days.

RETURNED ITEMS

Please inspect the merchandise upon arrival. If you are not completely satisfied, please return merchandise PREPAID within 30 days. All merchandise to be returned must have Proper Authorization from Stevens Ag Parts. Please write, fax, or phone and tell us what you want to return and why you want to return it. You will be issued a Return Authorization Number. Please include a copy of your invoice and note the Return Authorization Number on the Invoice. Returns must be in good resaleable condition (excluding defective items). Proper refund will be issued after merchandise has been received. A 35% restocking charge will be made on all returns for reasons other than shipping error on our part or defective merchandise. Returns after 30 days may be subject to 50% Retoking fee or in some cases non-refundable. For no reason will merchandise be accepted after one year.

PARTS - PRICES & ERRORS

STC, LLC. Color photos in the catalog are for Catalog Purposes only and do not represent the actual color of the parts. Colors of the product vary from suppliers and availability. STC, LLC cannot be held responsible for any typographical errors that may be listed in this catalog or other catalogs. We have done our best to make sure that the information listed for each part is correct. Due to supplier price increases and decreases, PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE! Due to carrier rate increases, shipping costs are subject to change without notice. Errors - We are only human and we do make mistakes. Although we have tried very hard to correct all items, we apologize for any errors. We welcome your comments and suggestions.

Out Of Stock Items: It is our goal to ship all orders promptly as we receive them. Not all items pictured in our catalog are stocked. Sometimes due to heavy demands or supply problems, certain items must be back-ordered. We will make every effort to ship your order within thirty days or refund your money.

Parts: We offer High Quality Replacement Parts. OEM part numbers are used for reference only.
